THE PILGRIM SONG

1. Who would true valour see,
Let him come hither.
One here will constant be
Come wind, come weather.
There's no discouragement
Shall make him once relent
His first avowed intent
To be a Pilgrim.
2. Who so beset him round
With dismal stories,
Do but themselves confound
His strength the more is.
No lion can him fright,
He'll with a giant fight,
And he will have a right
To be a Pilgrim.
3. Hobgoblin, nor foul fiend,
Can daunt his spirit.
He knows he at the end
Shall life inherit.
Then fancies fly away,
He'll fear not what men say,
He'll labour night and day
To be a Pilgrim.
